Roofer

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Aureol Global Connections is hiring an experienced Roofer on behalf of Ashgrove Engineering Limited to join their expanding renewables team, working on residential and commercial projects across Ireland. Located at Ida Business & Technology Park, Quarters town Lower, Mallow, Cork P51 HY51. This hands-on role involves roofing works and the installation of solar panel mounting systems, ensuring roofs are prepared, weatherproofed and structurally sound for Solar PV installations. You will work with a variety of roofing materials, collaborate closely with electricians and installation teams, and follow strict health & safety standards while delivering high-quality, compliant installations. This is an excellent opportunity to build your career with a forward-thinking company at the forefront of Ireland's renewable energy and retrofit sector. This is a full-time position based on a 39-hour work week, offering an annual salary of €36,000 - €38,000. Interested applicants are invited to submit their CV to info@aureolglobalconnections.com.

- **Sector:** professional, scientific and technical activities
