About Tots Childcare

As one of Ireland's fastest-growing childcare providers, with 15 centers nationwide, our goal is simple: to create a home-from-home where children feel safe, happy, and inspired to explore the world around them.

We're passionate about fostering a lifelong love of learning — helping every child build the confidence and curiosity they need for school and beyond.

At the same time, we believe our team deserves just as much care and support. We're committed to creating a workplace where every team member feels valued, supported, and excited to come to work — knowing they're building a meaningful career with plenty of room to grow.

A minimum Level 5 QQI qualification (or international equivalent)

A genuine passion for working with children

A willingness to grow and learn

The ability to connect with both staff and parents

A desire to be part of a company that puts its people first

What We Offer

Competitive pay

Guaranteed Christmas break

Pension access from day one

Employee Assistance Programme (EAP) access from day one

Accommodation assistance, if needed

Access to some of the best minds in childcare to help you grow and develop your career

If this sounds like the opportunity for you, we'd love to hear from you!
