### Job Description

Energywise Ireland is a leading company in the renewable energy sector focused on sustainable solutions and innovative technologies. Our mission is to improve energy efficiency and reduce carbon footprints across various industries.

#### Responsibilities:

Installation of our Solar PV Systems on domestic & commercial buildings.

Ensuring deadlines are met for upcoming installations and projects.

Engaging with our customers and providing information and advice on work being undertaken.

Complete work to the highest standard within the allocated time as part of a team.

Complete the required Installation paperwork.

Adhere to Health and Safety at all times.

General carpentry and snagging tasks.

Install a range of energy efficiency upgrades including:

Solar PV systems

Mechanical Heat Recovery Ventilation Systems

Ceiling Level Insulation

Sloped Ceiling Insulation

Drylining

External Insulation

Natural Ventilation

#### Requirements:

Qualification in carpentry/joinery.

Harness experience a must.

Up to date knowledge of Health and Safety legislation.

Excellent organisational and planning skills.

Excellent problem solving and communication skills.

Confident decision making.

Able to effectively manage time to meet deadline.

Able to effectively multi-task several projects at once.

Able to deal with customers in a polite, professional, and efficient manner.

Able to work as a team player and on their own.

A positive attitude for dealing with customers.

What we offer:

A competitive salary package.

Healthcover with Laya Healthcare.

Provision of a company van, fuel card, and mobile phone.

Participation in our pension scheme.

Employee Assistance Program.

Death in Service Benefit.

An excellent work-life balance.

Opportunities for professional development and career advancement.

The chance to be part of a company at the forefront of sustainable energy solutions.

A supportive and collaborative work environment.
