Job Description

Duties

This is a developmental opportunity, no experience necessary. Accredited training will be provided to support your career.

We are seeking a skilled and reliable Sewing Machinist to support the production of high-quality boat canvases and related products. The ideal candidate will have good attention to detail, good technical ability, and a willingness to learn.

Key Responsibilities:

Operate industrial sewing machines safely and efficiently.

Sew textile products in line with patterns, measurements, and specifications, with a focus on producing boat canvases for traditional wooden currachs.

Work with precision and fine detail to ensure high-quality results.

Prepare and maintain sewing machines, including threading, changing needles, and basic upkeep.

Carry out hand-sewing tasks when required, including finishing and minor repairs.

Inspect completed products to ensure they meet quality standards.

Collaborate effectively as part of a team.

Maintain good timekeeping and reliability in daily work.

Adapt to new sewing techniques, materials, and production methods as needed.

Previous experience as a Sewing Machinist in a similar role would be preferred.
