Diesel Mechanic

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We are seeking an HGV Mechanic responsible for diagnostics, servicing, maintenance, and repair of HGVs used in our operations. The role includes inspecting engines, transmissions, brakes, hydraulics, and electrical systems, identifying and repairing faults, performing routine and preventative maintenance, and ensuring vehicles comply with safety standards. Candidates should have mechanical skills and the ability to read technical manuals and drawings. Previous experience is desirable but not essential, as full training will be provided. Forklift experience is advantageous.
