Job Description

Aureol Global Connections is hiring experienced Steel Fixers on behalf of Park Engineering Limited, Park Cross, Stradbally, Co Laois. Ideal candidate must have 1–2+ years' experience in structural steel erection and cladding installation. The role involves positioning, aligning, plumbing, and levelling steel frames to drawings, as well as bolting and torquing connections including HSFG bolts. Responsibilities also include installing insulated composite panels, built-up twin-skin and rainscreen systems, along with flashings and sealing. Candidates must be confident working at heights, operating MEWPs, reading technical drawings, using power tools, maintaining equipment, and working effectively as part of a team on active construction sites. We offer a competitive salary ranging from €36,000–€38,000 annually, 39 hours per week. Interested applicants are invited to send their CVs to info@aureolglobalconnections.com
