Job Description

We are currently seeking an experienced Motorcycle Mechanic to join our growing team.

Please note: We are only considering applicants with proven hands-on experience working on motorcycles.

Key Requirements:

Minimum 1 year of professional experience working on motorcycles

Confident in both basic servicing (e.g., oil changes, brake pads) and advanced repairs (e.g., engine rebuilds, carburetor cleaning, electrical diagnostics)

Experience with high-engine motorcycles (600cc and above) is essential

Must be able to work independently, meet deadlines, and maintain high-quality standards

Responsibilities:

Diagnose, service, and repair motorcycles to manufacturer and brand standards

Perform vehicle checks and inform management of any additional work required

Conduct test rides (within industrial premises) to ensure work quality

Maintain clean and safe working conditions in workshop and storage areas

Provide excellent customer service and complete required service documentation

Support other team members and assist with general workshop operations

Desirable Qualifications:

Motor Mechanic Certificate or Diploma (preferred)

Second-level education completed

Skills & Traits:

Strong attention to detail and problem-solving skills

Ability to work under pressure and manage time effectively

Friendly and professional communication style

Strong work ethic and ability to take initiative

Hours:

Must be flexible to work outside normal hours when required

Apply only if you meet the essential experience criteria.

We look forward to hearing from mechanics who are serious about motorcycles and customer satisfaction.
