Job Description

Job Title: Supply Chain Manager

Company Name: Meastelo Limited

Address: Unit F2, Bymac Centre Northwest Business Park, Dublin 15, D15 CPK0

Job Description:

As the Supply Chain Manager at Meastelo Limited, you will be entrusted with overseeing the complete end-to-end supply chain operations, ensuring the efficient, cost-effective, and high-quality delivery of goods and services across all company locations. Your role will be pivotal in managing supplier relationships, inventory control, and logistics to support the growing network of stores across Ireland.

Responsibilities:

Inventory & Supply Management: Maintain optimal stock levels across all stores, ensuring there are no shortages, and reduce waste through accurate demand planning.

Supplier & Vendor Relations: Manage relationships with suppliers, negotiate contracts, and monitor supplier performance to ensure quality and cost efficiency are maintained.

Logistics & Distribution: Oversee delivery schedules, warehouse operations, and transportation networks to ensure smooth and timely product distribution.

Compliance & Quality Control: Ensure all supply chain processes adhere to relevant health, safety, and food compliance regulations while upholding Meastelo's high standards for product quality.

Reporting & Process Improvement: Track key performance metrics, analyze supply chain data, and implement strategies to boost efficiency and minimize costs.

Job Requirements:

2 years of experience in supply chain management, logistics, or related fields is desirable.

Proficiency in supply chain management software and systems.

Strong analytical and strategic skills to drive data-informed decision-making.

Excellent negotiation and supplier management skills.

No formal academic qualifications are required for this position.

Salary: €36,605 per annum

Per Hour: €18.05
