## Purchaser

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

Monami Construction

At Monami Construction we strive to deliver the highest quality projects to meet our clients and design teams expectations. This requires an enormous team effort and our ambition is to delivering for our clients by exceeding their expectations while embracing new construction methods, utilising advances in technology, managing our commercial sustainability and ensuring we provide a secure and rewarding place of work for our highly competent and capable workforce. Due to continued growth a vacancy now exists for a Purchaser based at our Head Office in Galway.

### Why Work in the Construction Industry

This is an industry for ambitious people, problem solvers and for those wishing to take responsibility and to progress to the highest levels in their career. Construction rewards commitment and determination. It provides enormous job satisfaction, something that is not always promoted but is an essential component for our wellbeing and mental health.

### Responsibilities

Obtaining quotes, placing orders, ensuring agreed rates and terms are set up with suppliers and agreeing rates to maximise financial efficiency.

Procuring building materials, processing purchase orders through purchasing software and following through to payment stage.

Procuring and hiring plant required on site including cabins, forklifts, fencing, transport etc.

Managing plant & equipment movement.

General purchasing administration as required.

A competitive package is being offered to the successful candidate.

#### Qualifications

Prior experience in a purchasing role in construction/builders providers is desirable but not essential, however experience on building materials from a previous role is advantageous.
