M.I.G WELDER/FABRICATOR

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

The MIG Welder/Fabricator is responsible for manufacturing, assembling, and repairing metal structures and components using MIG welding techniques. The role involves reading and interpreting engineering drawings, blueprints, and specifications to ensure accurate fabrication. Duties include measuring, cutting, shaping, and fitting metal parts using hand tools, power tools, and workshop machinery such as saws and grinders.

The ideal candidate will have proven welding experience, strong attention to detail, the ability to work independently or within a team, and a commitment to delivering work on schedule.

- **Sector:** manufacturing

Career Level

- Experienced [Non-Managerial]
