Plumber

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

About the Company

Fletcher Construction is an established construction and maintenance company providing high-quality building, renovation, and plumbing services across residential and commercial projects.

Due to continued growth, we are now seeking a qualified and motivated Plumber to join our professional team.

Main Responsibilities

Install, repair, and maintain plumbing systems including pipes, fixtures, drainage, and water supply systems.

Read and interpret technical drawings, plans, and specifications.

Diagnose faults and carry out effective repairs on plumbing installations.

Ensure all work complies with building regulations, safety standards, and quality requirements.

Carry out maintenance and upgrade works on residential and commercial properties.

Work collaboratively with site managers and other trades on construction sites.

Maintain tools, equipment, and work areas in a safe and organised condition.

Candidate Profile

Minimum 2 years' experience as a Plumber or in a similar role.

Strong knowledge of plumbing systems and installation techniques.

Ability to work independently and as part of a team.

Good understanding of health & safety regulations.

Reliable, detail-oriented, and professional attitude.

Must be available to work on-site in Ireland for 39 hours per week.

Benefits

Competitive salary of €36,605

Long-term employment opportunity within a growing construction company.

Supportive and professional working environment.

Opportunities for skill development and progression.
