TIG Welder

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We are currently seeking a skilled and experienced Welder to join our team. The Welder will be responsible for performing welding tasks to fabricate and assemble metal structures and components according to specifications and blueprints. RESPONSIBILITIES Read and interpret engineering drawings, blueprints, and specifications to determine welding requirements. Select appropriate welding equipment and tools based on job requirements. Set up welding machines, tools, and equipment according to specifications. Weld components in various positions (flat, vertical, overhead) using different welding techniques (MIG, TIG, Stick). Inspect welds to ensure they meet quality and safety standards. Perform welding repairs as necessary. Maintain a clean and safe work environment. Follow all safety procedures and guidelines.

REQUIREMENTS Proven experience as a Welder in a similar role. Proficient in welding techniques including MIG, TIG, Ability to read and interpret engineering drawings, blueprints, and specifications. Strong attention to detail and quality. Ability to work independently and as part of a team. Good communication skills. Physical stamina and strength to perform welding tasks. Welding certification(s) preferred. Experience with fabrication and metalworking tools and equipment is a plus.
