Electrical Instrumentation - Apprenticeship

Job Description

Job Description

First Year Apprentice Vacancy

Aughinish Alumina, situated in Askeaton on a 1,300-acre site on the Shannon Estuary, is one of the leading industrial plants in Ireland. It is the largest Alumina Refinery in Europe, producing approximately 2 million tonnes per annum of product that is the primary raw material for the production of aluminium. The company also has a 150MW Combined Heat and Power Plant. Aughinish Alumina has a history of continuous improvement and innovation and is now considered to be a world leader in the industry.

Aughinish Alumina is recruiting the following First Year Apprentices to start in Autumn 2026:

- Electrical Instrumentation Apprenticeship (E/I)

Each apprenticeship is for a period of four years (or for a period determined by the Standards Based Apprenticeship Scheme).

Those appointed will receive full training in their craft both onsite (in Aughinish) and in College (various locations).

Requirements:

- Candidates must be 17 years of age by 31st August 2026.
- To join any EI Apprentice programme, SOLAS require that applicants pass the Ishihara Colour Vision Test 24 plate edition.

Minimum Qualifications:

- Grade D1/H5/O5 in five subjects in the Established Leaving Certificate examination – must include Maths and English
- Persons already serving an Apprenticeship are not eligible
- Persons sitting their Leaving Certificate in 2026 are eligible. Results can be forwarded when available.

Benefits:

- Competitive salary

- Health Insurance
- Continuous Training and Development
- Sports and Social Club
- On-site Gym

What are we looking for?

- Enthusiastic individuals with a strong interest in engineering related subjects
- Good academic record - a good grade in maths and an interest in engineering is advantageous
- Good communicator & problem solver with a positive attitude
- The ability to work both independently and as part of a team
- Good work practices including safety awareness, timekeeping, tidiness and responsibility
- As an EI apprentice, you will need to be physically active and able to work with your hands

How to Apply?

* Email recruit@augh.com to request an application form.

Application forms must be returned by *May 8th 2026.

* Only typed applications will be accepted.

*Aughinish Alumina is an equal opportunities employer.

All applications will be treated in the strictest confidence.*

Start date Autumn 2026.

For more information please see apprenticeship.ie

Note: As part of the national apprenticeship system, there are formal requirements for approval of an employer's suitability to train apprentices and for registration of apprentices. Advertising on this site does not guarantee that Employers are approved to recruit and train for apprenticeship positions.
