CAD Technician

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Aureol Global Connections is seeking motivated CAD Technicians, on behalf of Glanua Ireland Limited, Railway House, Station Road, Loughrea, Co. Galway, H62 VN56. Ideal candidate will support their growing project portfolio in the water and wastewater sector. The role involves receiving design inputs and developing accurate 2D and 3D models, preparing multi-discipline GA coordination drawings (civil, mechanical, and electrical), liaising across design teams, maintaining drawing registers and revision control, and supporting project reviews and feasibility studies. Candidates should have good AutoCAD and Revit 3D skills (Navisworks desirable), and ideally some experience within the Water & Wastewater industry. We are looking for a detail-oriented team player with excellent communication, organisational, and IT skills, ready to contribute to high-quality, collaborative project delivery. This is a full-time role of 39 hours per week with an annual salary range of €38,000-€48,000. Interested applicants should send their CV to info@aureolglobalconnections.com.

- **Sector:** water supply; sewerage, waste management and remediation activities
