HGV Mechanic

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Mechanical repairs, servicing and fault finding on commercial vehicles.

Carry out vehicle inspections, diagnostic fault finding along with mechanical servicing, maintenance and repairs.

Complete repairs to a high standard and efficiently within timelines, in accordance with manufacture procedures.

Follow warranty procedures and ensure relevant paperwork is complete.

Liaise with Workshop Manager on vehicle progress and defects that may need attention.

Ensure job cards and relevant paperwork is completed accurately.

Maintain a clean and tidy workshop environment, following health and safety practices.

Essential Criteria

Candidates will be qualified as a HGV Mechanic.

Previous vehicle technician experience within the automotive industry.

High standard of workmanship and ability to work efficiently.

Good attitude and a time-conscious individual.

A full valid driving licence.
