Job Description

Are you passionate about maintaining high standards and ensuring top-quality products? Sillis Green Veg is looking for a Quality Control Officer to join our team. This full-time role is at the heart of our operations, ensuring that every product leaving our facility meets our rigorous quality standards.

Duties to include -

Perform metal detection, temperature checks, and specification checks to ensure product safety and compliance.

Monitor the production process to guarantee products are in an optimal state before dispatch.

Maintain detailed and accurate records of all quality checks performed during the shift.

Work closely with the production team to uphold and improve quality standards.

Act as the quality function on shift, ensuring all processes align with food safety and quality protocols.

Strong attention to detail and a commitment to high standards.

A team player with the ability to work independently and make decisions when needed.

Previous experience in a similar role or within the food industry is an advantage, but not essential—full training will be provided.

Dependable and proactive, with the ability to identify and resolve quality issues quickly.

Good organisational skills and the ability to keep accurate records.

Why Join Us?

At Sillis Green Veg, quality is at the core of everything we do. With over 28 years of experience, we've built a reputation for excellence, innovation, and customer satisfaction. As part of our quality team, you'll play a vital role in ensuring that every product we deliver is the very best.

This is an exciting opportunity to join a dynamic team, learn new skills, and grow your career in a supportive, family-run business.

Apply today and help us maintain our commitment to quality at Sillis Green Veg!
