Mechanical Engineer

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Aureol Global Connections is seeking Mechanical Engineers on behalf of L Lynch and Co Ltd located at 16 Fonthill road, Ballyowen, Dublin 22, D22P2T4 to support the design, coordination, and delivery of mechanical systems across major construction projects. This role involves reviewing mechanical drawings and specifications, supporting the development of HVAC, piping, and building services systems, and coordinating closely with BIM, project, and site teams to ensure seamless project execution. You will assist with technical submittals, procurement, vendor engagement, and provide engineering support during installation and commissioning, ensuring full compliance with quality, safety, and project standards. Candidates should hold a Degree in Mechanical Engineering (or related discipline), have experience within a mechanical or construction environment, and possess good technical knowledge of HVAC and building services, along with excellent communication and teamwork skills. This full-time position is based on a 45-hour work week, with an annual salary range of €47,000-€50,000. Interested applicants are invited to send their CVs to info@aureolglobalconnections.com.
