## Diesel Mechanic (Heavy Vehicles)

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

#### Job Overview

We are seeking an experienced Diesel Mechanic to join our team on a full-time, permanent basis. The successful candidate will be responsible for the inspection, maintenance, diagnosis, and repair of diesel engines and mechanical systems used in vehicles and machinery, ensuring safe and efficient operation in accordance with industry standards.

#### Key Duties and Responsibilities:

- Diagnose faults and carry out repairs on diesel engines and mechanical systems
- Service and maintain heavy vehicles, plant machinery, and agricultural equipment
- Perform preventative maintenance and scheduled servicing
- Inspect mechanical, hydraulic, and electrical components to identify defects
- Use diagnostic tools and equipment to troubleshoot faults
- Repair or replace engine, transmission, braking, and hydraulic system components
- Maintain accurate service and repair records
- Ensure all work complies with health and safety regulations
- Work independently and as part of a maintenance team

#### Essential Requirements:

- Minimum 2 years' experience as a Diesel Mechanic, Heavy Vehicle Mechanic, or similar role
- Strong knowledge of diesel engines and mechanical systems
- Experience diagnosing and repairing mechanical faults
- Competence in the use of diagnostic equipment and workshop tools
- Ability to read and interpret technical manuals and specifications
- Good understanding of workplace health and safety procedures
- Good English communication skills
- Ability to work independently and as part of a team

Desirable:

Relevant mechanical qualification or trade certification

Experience with agricultural or construction machinery

Welding or fabrication experience (advantageous)

- **Sector:** construction

#### **Career Level**

- Experienced [Non-Managerial]
