Skilled Meat Processing Operative

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

The successful candidates will work as part of the factory processing team producing meat to fulfil production targets on a daily and weekly basis. This role is essential to maintaining the maximum required speed and breaking the carcass into suitable primals. Successful candidates will be required to:

- Work on own initiative and as part of a team.
- Have excellent knife skills and in-depth knowledge of the butchery trade.
- Have an understanding of product/customer specification and possess the ability to meet these specifications while managing high volumes and challenging production targets.
- Physical role including lifting and standing.
- In addition to skilled knife use, knifemen must be able to operate cleavers, meat saws, bandsaws and other equipment to perform meat cutting

- **Sector:** manufacturing

Career Level

- Experienced [Non-Managerial]
