Experienced Addiction Nurse / Psychiatric Nurse - Community Role | Dublin 1

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Experienced Addiction Nurse / Psychiatric Nurse – Community Role | Dublin 1

NMBI Registered | Harm Reduction | Community-Based Care

Location: Dublin 1, North Inner City

Contract: Permanent / Indefinite (subject to funding)

Salary: €46,226 per annum

Hours: 35 hours per week | Monday–Friday (daytime with flexibility)

This role is for nurses who already understand addiction — and want to do the work properly.

We are recruiting an experienced Addiction Nurse to join a community-based Multidisciplinary Health Team supporting people with substance use, mental health challenges, homelessness and complex health needs in Dublin 1.

Applications are welcomed from:

Registered General Nurses (RGN) with solid addiction experience

Registered Psychiatric Nurses (RPN) with addiction, dual-diagnosis or community mental health backgrounds

This is not an entry-level role. It requires clinical confidence, emotional intelligence and a clear understanding of harm reduction, trauma-informed practice and recovery-oriented care.

Your Impact as an Addiction / Community Nurse

Working across outreach, primary care and community settings, you will:

Deliver specialist addiction nursing care in community and outreach environments

Provide harm-reduction interventions, overdose response and health education

Support dual-diagnosis clients with addiction and mental health needs

Manage wound care, BBV prevention, chronic illness and relapse prevention

Conduct domiciliary visits across Dublin 1 and surrounding communities

Work closely with GPs, psychiatrists, social workers, housing and addiction services

Maintain high standards of clinical documentation and confidentiality

Contribute to MDT case reviews, audits and service improvement

Model non-judgmental, dignified and inclusive care at all times

Essential Requirements

NMBI registration as:

Registered General Nurse or

Registered Psychiatric Nurse

(Active PIN for 2025 or full eligibility at final registration stage)

Demonstrated experience in addiction services (community, residential or outreach)

Currently living in Ireland and available to work on-site in Dublin 1

Legal right to work in Ireland (no visa sponsorship)

Garda Vetting is mandatory for relevant roles.

International Police Clearance is required where a candidate has lived or worked outside Ireland for 6 months or more since the age of 16

Fluent English (verbal and written)

Desirable (but not essential)

Experience in harm reduction, methadone programmes or dual diagnosis

Background in community mental health, homelessness or marginalised populations

Training in trauma-informed care or motivational interviewing

Salary & Benefits

€46,226 annual salary

35-hour working week with work-life balance

Core hours 9am–5pm (Mon–Fri) with flexibility between 8am–8pm when required

Permanent / fixed-term contract (funding dependent)

Access to ongoing training, CPD and clinical supervision

Supportive, progressive, values-led healthcare environment

- **Sector:** other service activities

Career Level

- Experienced [Non-Managerial]
