## Forklift Mechanic

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

Reddillift Forklift Services is seeking a skilled Forklift Mechanic to join our growing team in Galway. The successful candidate will have hands-on experience in forklift maintenance and repairs and be comfortable working in a fast-paced, team-oriented environment.

#### Key Responsibilities:

- Carry out routine, emergency, and preventative maintenance on forklifts
- Interpret manufacturer technical manuals to diagnose faults and perform repairs
- Troubleshoot mechanical, electrical, hydraulic, and brake system issues
- Identify defects, safety concerns, and potential malfunctions
- Diagnose and repair mast and attachment components
- Perform brake servicing and tyre/wheel changes
- Work on LPG, gas, and diesel-powered forklifts
- Replace defective components using stock parts or order replacement parts for major repairs

#### Requirements:

- Minimum 2 years' experience as a Forklift Mechanic or similar role
- Strong mechanical and diagnostic skills
- Ability to work independently and as part of a team
- Good understanding of health and safety practices

#### Working Hours:

39 hours per week

#### Salary & Benefits:

€37,000 – €40,000 per year, depending on experience

Overtime pay available

On-site parking

- **Sector:** wholesale and retail trade; repair of motor vehicles and motorcycles

### **Career Level**

- Experienced [Non-Managerial]
