Carpenter / Joiner – Door Manufacturing

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We are seeking a skilled Carpenter / Joiner to join our busy door manufacturing facility. This is an excellent opportunity for a motivated individual with strong woodworking skills to work in a quality-focused production environment.

Key Responsibilities

- Manufacture internal timber doors to specification
- Read and interpret technical drawings and job sheets
- Use woodworking machinery and hand tools safely and accurately
- Assemble, fit, and finish doors to a high standard
- Carry out quality checks to ensure consistency and accuracy
- Maintain a clean, safe, and organized work area

To apply:

Please send your CV and a brief cover note to hrservices@thegalteegroup.ie

Requirements

- Proven experience as a carpenter/joiner (workshop or manufacturing experience preferred)
- Strong knowledge of timber, joinery techniques, and door construction
- Ability to work from drawings and measurements with precision
- Good attention to detail and workmanship
- Ability to work independently and as part of a team
- Awareness of health & safety practices in a workshop environment

Desirable (but not essential)

- Experience with CNC or industrial woodworking machinery
- Experience in door, window, or bespoke joinery manufacturing
