Job Description

Green Solutions Cork Landscaping & Garden Maintenance Limited provides professional landscaping, garden maintenance, and grounds care services across Cork, specialising in sustainable outdoor solutions including equipment and tool maintenance for efficient operations.

Key Responsibilities:

Supervise the team maintaining landscaping equipment and tools, ensuring safe, reliable, and efficient performance.

Plan and execute preventive and corrective maintenance on garden machinery, power tools, mowers, trimmers, and related equipment.

Diagnose issues, coordinate repairs, and manage inventory of parts and tools.

Ensure compliance with Health & Safety (HSA) regulations, environmental standards, and company policies.

Train and support junior maintenance staff.

Essential Requirements:

Minimum 3 years' experience in maintenance of landscaping/garden equipment, tools, or similar machinery.

At least 1 year in a supervisory or team lead role in a maintenance/technical setting.

Relevant technical qualification (e.g., FETAC Level 6 or equivalent in Mechanical Maintenance, Horticultural Machinery, or related field).

Good knowledge of mechanical maintenance, basic electrical/hydraulics for garden tools, and safe equipment handling.

Strong leadership and problem-solving skills.

Working hours: 39 hours per week

Desirable:

Experience in landscaping, gardening, or green sector maintenance.

Certifications such as Safe Pass, Manual Handling, or familiarity with garden machinery systems.
