## Dairy Farm Assistant

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

We are seeking Dairy Farm Assistants to support the day-to-day management and care of dairy cattle within dairy farming operations in Ireland. The role involves assisting with herd management, maintaining animal health, and supporting the efficient operation of dairy production systems.

Key duties will include:

Assisting with the care and management of dairy cattle

Monitoring herd health, behaviour and general condition

Supporting breeding and herd fertility programmes, including assisting with artificial insemination procedures

Assisting with calving management and calf care

Maintaining animal welfare, hygiene and herd management standards

Assisting with identification and routine herd management procedures

Supporting general dairy farm operations as required

Ensuring compliance with farm health and safety procedures

Applicants should have practical experience working with dairy cattle and supporting herd management activities within a dairy farming environment. The role requires working as part of a dairy farm team to support herd productivity, animal welfare and efficient farm operations.

- **Sector:** agriculture, forestry and fishing

### Career Level

- Not Required
