In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We are currently seeking experienced Welders who will be responsible for carrying out welding and fabrication work to join metal components and structures in accordance with technical drawings and specifications.

Duties and Responsibilities:

- Perform welding using methods such as MIG, TIG, and Arc welding on steel and other metals.
- Read and interpret engineering drawings, blueprints, and technical specifications.
- Prepare materials by cutting, grinding, and cleaning metal surfaces before welding.
- Assemble and fabricate metal parts and structures as required.
- Inspect completed welds to ensure quality, accuracy, and structural strength.
- Operate and maintain welding machines, hand tools, and fabrication equipment.
- Carry out minor repairs and modifications to metal structures.
- Follow all health, safety, and workplace procedures while performing duties.

Remuneration for this role is €36605.00 per annum based on 39 hours work p/w.

Job Type: Permanent/Full time
