Electricians - Cranes

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Multiple Locations :

- Armorum Limited, Kylemore Park North, Ballyfermot, Co. Dublin, D10 TN56
- Armorum Limited, JFK Industrial Estate, Bluebell, Co. Dublin, D12 TC60

Our client, Armorum Limited, based in Co. Dublin, is currently seeking Electricians - Cranes for immediate start at their two facilities in Co. Dublin.

Key Responsibilities & Duties:

Diagnose, repair, and maintain electrical and electronic systems on tower cranes, including motors, sensors, limit switches, and control panels.

Carry out regular inspections, preventative maintenance, and safety checks on crane electrical systems.

Troubleshoot and repair PLCs, variable frequency drives, and other automated control systems.

Work with onboard monitoring and diagnostic systems to identify and resolve faults.

Install, calibrate, and maintain safety devices, alarms, and load monitoring systems in compliance with regulatory standards.

Produce accurate service reports, inspection documentation, and maintenance records.

Collaborate with mechanical engineers and field teams to ensure complete crane functionality.

Ensure all work is performed safely and in compliance with site-specific and industry safety regulations.

Travel to construction sites and work in varied field conditions.

Requirements:

Candidates must have the requisite experience and knowledge to perform all job duties listed

above

Minimum 3–5 years of experience working on cranes (e.g., mobile cranes, tower cranes, or overhead cranes) and other heavy equipment in a field service capacity

Experience working on brands such as Cummins, Liebherr, Caterpillar, MTU

Qualified Electrician (or equivalent) with industrial, commercial, or heavy equipment experience.

Proven experience in industrial or heavy machinery electrical systems, preferably cranes or lifting equipment.

Strong understanding of AC/DC systems, motors, PLCs, sensors, and safety circuits.

Experience reading and interpreting electrical schematics and wiring diagrams.

Ability to work independently on-site with minimal supervision.

Excellent troubleshooting and problem-solving skills.

Awareness of tower crane safety regulations, LOLER/PUWER (or equivalent).

Annual Remuneration: €56,784.00; Pay Rate €28.00 per hour

Work Locations:

Armorom Limited, Kylemore Park North, Ballyfermot, Co. Dublin, D10 TN56

Armorom Limited, JFK Industrial Estate, Bluebell, Co. Dublin, D12 TC60

Number of hours work each week: 39
