HGV Mechanic

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Munster Machinery Services LTD, is seeking to recruit a full-time, permanent HGV Mechanic to support its fleet operations. The successful candidate will be responsible for the servicing, maintenance, diagnostics and repair of Heavy Goods Vehicles, including engines, braking systems, transmissions, suspension and electrical components, ensuring all vehicles remain roadworthy and compliant with safety regulations. Applicants must hold a relevant mechanical trade qualification and have a minimum of two years' experience working specifically with HGV vehicles. Strong fault-finding skills, the ability to work independently, and adherence to health and safety standards are essential. Interested candidates should submit their CV by email.

Location of employment: Turtulla, Thurles, Tipperary

Salary: €36,605, 39 hours per week, €18,05 per hour
