### Job Description

Finance Manager – Tallaght University Hospital Foundation

#### About the Role

TUHF is at an important juncture in its development, with a €60 million investment in the Innovate Health Centre pending approval and a growing requirement for a senior financial professional to support this next phase.

This appointment represents an opportunity to build a strategic finance function in line with the expected expansion of the organisation's activities, and to play a significant part in supporting TUHF's ambition to transform how Tallaght University Hospital operates – making it a shining example of what is truly possible in healthcare.

The Finance Manager will take ownership of all day-to-day financial operations, including management accounts, audit, compliance, and board reporting, while working closely with the CEO to support strategic planning and long-term financial sustainability.

To take the lead on this exciting opportunity, TUHF is seeking a motivated and purpose driven finance professional with a solid grounding in Irish charity finance and the confidence to operate at both an operational and strategic level. The role is offered on a four-day week basis.
