Job Description

BCMGlobal ASI Ltd is a leading independent loan servicer, managing AUM for 20+ clients and is highly rated by S&P in Ireland working with pillar banks, non-bank lenders, debt investors and their customers throughout the loan lifecycle from origination through to redemption, including loan workout services. It is part of BCM Global, a prominent European independent mortgage, real estate, and commercial loan servicer expert in providing innovative financial services.

Job Purpose

We are looking for a motivated individual to join our Finance team. This role is ideal for a Financial and Accounting Technician who preferably has industry experience and is eager to develop their skills in a dynamic and fast-paced environment.

Role and Key Responsibilities

- Manage the organisation's billing processes, liaising with customers and business leads to ensure invoices are issued accurately and on time.
- Collaborate with internal teams to streamline billing and collection procedures.
- Support the Senior Management Accountant in providing quality management information to stakeholders.
- Assist with month-end and year-end closing, including reconciliations and financial reporting.
- Assist with the Treasury process and provide back-up to the Treasurer where required.
- Utilise Excel for data analysis, reconciliations, and reporting.
- Provide back-up for AP Accounts Assistant

Experience and Requirements

- Part-qualified or newly qualified accountant (ACCA, CIMA, or equivalent).
- Previous experience in an industry-based accounting role is preferable.
- Strong understanding of billing, collections, reconciliations, and financial reporting.
- Proficiency in Excel.
- Ability to collaborate effectively with internal and external stakeholders.

- Strong attention to detail, problem-solving skills, and a proactive approach to improving processes.
- Ability to work in a fast-paced environment, manage multiple tasks, and meet deadlines.
- Experience with financial systems; knowledge of Business Central is an advantage.
- Familiarity with data analytical tools for reporting and data visualisation is an advantage.
