Job Description

Aureol Global Connections is hiring Quality Assurance (QA) Managers on behalf of Murphy International Limited, Great Connell Newbridge Co. Kildare Ireland to oversee quality assurance and document control processes across our projects. The role involves managing document workflows within a cloud-based document management system, ensuring quality standards and compliance with legal and contractual requirements, maintaining version control, and coordinating the distribution and archiving of project documentation. The successful candidate will also support digital project delivery, ensure data integrity, manage access permissions, provide training on document control procedures, and generate reports for senior management. Candidates should have experience in quality assurance, document management, and information systems, with good organisational and communication skills. This is a full-time position based on a 39-hour work week, offering a competitive annual salary in the range of €36,000 to €40,000. Interested applicants are invited to submit their CV to info@aureolglobalconnections.com.
