### Job Description

Job Description:

Hayes Mechanical Engineering Ltd. is currently recruiting for the position of Pipe Fitter to join our team on a full-time basis at our registered address in Drumminoe West, Ballintubber, Claremorris, Co. Mayo.

The successful candidate will be responsible for fitting, assembling, installing, and maintaining piping systems in line with technical specifications and safety standards.

Duties will include:

- Installing and assembling pipework and related components
- Reading and interpreting technical drawings and specifications
- Measuring, cutting, threading, and bending pipes as required
- Inspecting and testing pipe systems for functionality and safety
- Carrying out repairs and maintenance on existing systems
- Ensuring all work is completed in compliance with health and safety regulations
- Working as part of a team to deliver projects efficiently

Requirements:

- Relevant experience as a Pipe Fitter
- Ability to read technical drawings and specifications
- Good knowledge of tools, materials, and installation methods used in pipe fitting
- Strong attention to detail and commitment to high standards of work
- Ability to work independently and as part of a team

- **Sector:** construction
