Job Description

Multiple Locations :

- CCL LABEL IRELAND LIMITED, UNIT B14, Ballycoolin Bus Pk, Dublin 15, D15 PX27
-

A permanent position has become available in the Quality department for a QC Inspector who will work as part of the QC Team as per the job spec below with an immediate start.

Carry out in-process QC checks on printed product, including using an Eye C profiler.

Final QA Release on all Pharma jobs plus other customers requiring certs of conformance and "problem" jobs as directed by QA Manager.

Log internal non-conformances and issue to department responsible and participate in the investigation process.

Carry out weekly spot checks and internal audits.

Verify and process product revisions.

Buddy check pharma orders & approve new pharma art works when required.

Help out investigating quality issues and take part in quality improvement projects.

The position will be shift based, alternating weekly

Week 1: 6am – 2.30pm Mon - Fri

Week 2: 2.30pm – 11.00pm Mon - Thurs

Please ensure you have your own transport or are you on a bus route to meet the early start and late finish.

Salary offered: €36,605 based on candidate qualifications and experience.

Site Address:

CCL Label Ireland Ltd. Unit B14, Ballycoolin Business & Technology Park, Ballycoolin Road, Dublin 15, D15 PX27, Ireland

Candidate's must:

Be fluent in English

Be available to start immediately

Have a third level qualification in Engineering or Science or a minimum of 2 yrs relevant

industry experience in a QC Role. Full industry training will be provided for the successful candidate.

Have a good working knowledge of MS word and excel

Good levels of attention to detail are required at all times

Diligent, reliable and good reporting skills.
