Mechanical Automation and Maintenance Fitting - Apprenticeship

Job Description

First Year Apprentice Vacancy

Mechanical Automation and Maintenance Fitter (M.A.M.F.)

W.Howard Kildare manufacture and distribute MDF profiles to builders merchants and specialist trade manufacturers. We produce skirtings, architraves, window boards, door linings and other bespoke items.

W.Howard are looking for an apprentice M.A.M.F to join our Maintenance Team at our modern high speed MDF mouldings production facility located at Kill, Co.Kildare.

The role will include preventative and reactive breakdown maintenance. You will work on a variety of industrial equipment controlled using pneumatics, hydraulics, electrics, PLCs and mechanical automation. Turning, milling and welding is a regular feature of this job.

Kill - Kildare County
