Electrical Engineers / Rewinding Technician

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Ireland's leading Electromechanical Repair and Installation company.

We're looking for someone who is hands-on, curious about how machines work, and eager to learn a specialist skill?

we're offering a unique opportunity to train

as a Rewinding Technician — a vital role in Keeping Industry Running.

We've been keeping Irish industry running for over 65 years, and we're

proud to be the go-to partner for critical sectors like pharma, food

processing, energy, and manufacturing. We're a family-run business that's

small enough to care, yet big enough to handle the most complex electro-mechanical repairs and machinery maintenance.

We're now looking for a motivated individual to join our team and train in the intricate and rewarding trade of electric motor rewinding.

- **Sector:** electricity, gas, steam and air conditioning supply

Career Level

- Experienced [Non-Managerial]
