In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Job Title: Carpenter

Employer: Kraftmade LTD T/A D1 kitchens

Location: Unit 5 millennium business park, Cappagh road, Dublin 11, D11FD78. This position requires the candidate to conduct on-site visits to clients' homes and business establishments across Co. Dublin, Co. Kildare, CO. Meath and Co. Wicklow.

Salary: €38k p.a.

Hours: 40 hours per week

We are looking for a motivated and detail oriented Carpenter to join our team. This position is ideal for someone starting their career in carpentry who is eager to learn, develop hands on technical skills, and contribute to daily operations in a collaborative, fast paced environment.

Key Responsibilities

Assist in day to day carpentry operations, ensuring tasks are completed accurately, safely, and on schedule.

Installation and fitting of kitchen and bedroom furniture, including assembly, adjustments, and finishing

Communicate effectively with internal teams and external partners to support project requirements.

Participate in the crafting of high quality exhibition stands, corporate backdrops, custom cabinetry, and specialized carpentry projects.

Contribute to event production, as well as office and retail fit outs, maintaining precision, craftsmanship, and creativity.

Support general workshop duties such as material handling, measuring, cutting, sanding, and assembly.

Follow safety procedures and maintain a clean, organized work environment.

Requirements

Strong organisational and time management skills.

Good verbal and written communication abilities.

Willingness to learn, take direction, and develop new carpentry skills.

Team oriented mindset with a positive, proactive attitude.

Physical ability to lift materials and work on your feet.

Prior internship, volunteer work, or part time job experience especially in carpentry, construction, or fabrication is preferred but not essential, training will be provided

Familiarity with basic carpentry tools, measurements, or workshop environments (a plus but not required).

- **Sector:** construction
