Cable Joiner

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Considine's Network Services Ltd is seeking a Telecommunications Cable Joiner to install, connect, and maintain telecommunications cabling infrastructure.

Duties

- Install telecommunications cables;
- Connect and terminate cables in network systems;
- Work on overhead and underground cabling infrastructure;
- Carry out cabling and poling activities;
- Test and inspect cable connections;
- Identify and repair faults in cabling systems;
- Interpret technical instructions and work specifications;
- Use tools and equipment for cable installation and jointing;
- Ensure installations are completed and functioning.

Requirements

- Experience in cable jointing or telecommunications installation;
- Knowledge of cabling systems and network infrastructure;
- Ability to follow technical instructions;
- Good communication skills.

- **Sector:** electricity, gas, steam and air conditioning supply

Career Level

- Experienced [Non-Managerial]
