### Job Description

Aureol Global Connections is hiring Design Engineers on behalf of McDonald International Ltd, Cappincur, Tullamore, Co. Offaly, R35 AN88 to join their team. The ideal candidate will hold a degree in Mechanical Design Engineering or similar and have a minimum of 5 years' experience using SolidWorks (or similar) 3D CAD software in a design office. Experience with PDM or other vault systems, 2D CAD, and CNC operations is an advantage. Candidates should have experience in designing conveyors, machine support stands, access walkways, and stairs, and be able to provide proof of ability through a portfolio of work. The role requires following instructions from managers or supervisors, collaborating with production teams, and presenting design work during interviews via a laptop with 3D CAD software to demonstrate proficiency. This is a full-time position, 40 hours per week, with an annual salary of €40,000-€45,000. Interested applicants please send your CV to [info@aureolglobalconnections.com](mailto:info@aureolglobalconnections.com).
