### Job Description

Job Title: Painter / Decorator

Employer: Kernel Construction Limited

Location: 6 Ferns Road, Crumlin, Dublin 12 - D12N20W

#### Overall Purpose of the Role

The Painter/Decorator will apply decorative and protective coatings to internal and external surfaces of buildings and structures, ensuring work is delivered to high quality standards and in compliance with health, safety and environmental procedures. During the first two years of employment, the successful candidate will receive structured on-the-job training and supervision to develop technical competence in line with industry standards and company procedures.

#### Key Duties and Responsibilities

- Assist in erecting and working safely from ladders, platforms or scaffolding up to five metres in height.
- Prepare surfaces by cleaning, sanding, stripping and filling cracks or holes with appropriate fillers.
- Apply primers, undercoats and finishing coats using brushes, rollers or spray equipment.
- Apply paint, varnish, stains, sealants and other decorative or protective finishes to internal and external surfaces.
- Assist with wallpaper removal and application, ensuring proper alignment and finish.
- Mix and prepare paints and materials in accordance with specifications.
- Stain, wax and polish wood surfaces where required.
- Protect surrounding areas with masking and coverings.
- Maintain tools and ensure work areas are kept clean and safe.
- Follow all company health and safety procedures at all times.

#### Qualifications and Experience

- Previous experience in painting and decorating is advantageous but not essential.

- Practical aptitude and willingness to learn the trade.
- Basic knowledge of construction site safety practices (training will be provided).
- Good communication skills and working knowledge of English.
- Ability to work as part of a team and follow instructions.
