Job Description

We are seeking an experienced Cabinet Maker to join our team. The successful candidate will be responsible for the manufacture, assembly, and installation of custom-built furniture and cabinetry.

Key Responsibilities:

Manufacture and assemble bespoke cabinets, furniture, and wood products

Interpret technical drawings and specifications

Operate woodworking machinery and tools safely and efficiently

Measure, cut, shape, and finish materials to a high standard

Carry out installation of finished products when required

Ensure all work meets quality and safety standards

Requirements:

Minimum 2 years' experience as a Cabinet Maker or similar role

Strong knowledge of woodworking techniques and materials

Ability to read and interpret technical drawings

Experience with woodworking machinery and hand tools

Good attention to detail and workmanship standards

Ability to work independently and as part of a team

- **Sector:** manufacturing
