Job Description

Athenry Opticians is a specialist optometric practice focusing on binocular vision, behavioural and neurodevelopmental optometry, and vision therapy.

Role Overview

We are seeking an experienced Vision Therapist to deliver one-to-one vision therapy programmes for patients, working closely with the optometrist to achieve excellent clinical outcomes.

Essential Requirements

Minimum 5 years' experience working as a Vision Therapist

Prior experience within a behavioural or neurodevelopmental optometry practice (essential)

Proven ability to deliver structured vision therapy programmes

Key Responsibilities

Deliver individual vision therapy sessions

Implement and adapt prescribed therapy programmes

Monitor and document patient progress

- **Sector:** other service activities

Career Level

- Experienced [Non-Managerial]
