Metal Fabricator & Welder

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Job description:

At Galu Limited, we specialize in the manufacturing of high-quality buffer tanks. Due to continued expansion, we are seeking a skilled and experienced Welder/Metal Fabricator to join our dynamic team. If you have a passion for metal fabrication and welding, and thrive in a workshop environment, we would love to hear from you.

Key Responsibilities:

Perform welding and steel fabrication tasks as per established manufacturing specifications and job requirements.

Read and interpret technical drawings accurately.

Work efficiently within a team as well as independently with minimal supervision.

Maintain high standards of safety and quality in all fabrication tasks.

Assist in the manufacturing of buffer tanks, ensuring precision and adherence to company standards.

Requirements:

Minimum of 2 years experience in welding and steel fabrication.

Proven workshop experience.

Proficiency in reading and interpreting technical drawings.

Strong ability to work within a team and independently, demonstrating initiative.

Experience in tank manufacturing is preferred but not essential.

Benefits:

Competitive salary based on experience.

Opportunities for career growth and development.

Supportive and dynamic work environment.

- **Sector:** manufacturing
