Job Description

Online Merchandiser & UX Executive

Currys Ireland Limited, 3rd Floor Office Suite, Omni Shopping Centre, Santry, Dublin 9, Ireland

40 hours per week

Salary €40,000 per annum

Monday-Friday 9am-5pm

At Currys we're united by one passion: to help everyone enjoy amazing technology. As the UK's best-known retailer of tech, we're proud of the service our customers receive – and it's all down to our team of 25,000 caring and committed colleagues. Working as one team, we learn and grow together, celebrating the big and small moments that make every day amazing.

The purpose of this role is to optimize and maintain the currys.ie website along with the online product range while bringing a commercial focus to all web activities.

Role overview:

As part of this role, you'll be responsible for:

Guardian of the forward orders process online. Ensure this is updated daily with correct stock count and range.

Bringing a commercial focus to all web activities to maximise the impact of the online sales channel.

This must be reflected in the site look and feel.

Ad hoc creation of site assets including banners (Adobe Photoshop) and page templates (Amplience).

Analysing analytics data to identify and action UX improvements.

Must be a customer experience advocate by identifying any potential promotional blockers to the customer transacting online.

Collaborate cross functionally with other internal departments including marketing, commercial, supply chain etc. to plan and deliver product launches and promotions.

Reporting on promotional campaigns post execution. i.e. Learnings for next period.

Work with trading and acquisition teams to drive sales whilst managing margin within agreed envelopes.

Ensure navigation and search are optimised to ensure key products and events are easy to find.

Work with SEO colleagues to optimise product and category content for SEO.

Ensure product imagery, descriptions and energy labels are correct, complete, in line with manufacturers' guidelines (where applicable) and optimised for consumption by your customer.

Be the online lead for key handset launches, liaising with trading, marketing, ecommerce and acquisition.

Manage promotions and ensure pricing, promo tags and strikethroughs are displaying correctly.

Report technical and UX issues and support with new development release testing.

You will need:

At least 2 years experience in an eCommerce function

Content management system (CMS) experience

HTML and Photoshop skills are required

Extensive merchandising experience. Know what works best for customers and conversion

Confident with Analytics applications and to be able to derive actionable insights

Proficiency in excel is a must

Understands the business, customers and strong product knowledge

Problem solving and the will to find resolution

Ambitious, self-motivated and brings a passion to the role every day

Problem solving and the will to find resolutions is an absolute must

BA or Master level degree preferable

- **Sector:** administrative and support service activities

Career Level

- Not Required
