Welder-Fabricators

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Our client, Banagher Precast Concrete Limited, based in Banagher, Co. Offaly, is currently seeking Welder-Fabricators for immediate start for their facility at Queen Street, Banagher, Co. Offaly.

Qualifications:

A minimum of 3 years' welding & fabrication experience is required. There are no minimum academic requirements. Welding certification is preferred.

General Duties / Responsibilities / Experience:

- To operate welding equipment in order to join metalwork pieces together
- To use fusion welding processes based on various techniques and materials
- To perform simple visual inspection of welds
- To perform fillet welds, mig welding and to read drawings
- To wear appropriate protective gear and adhere to safety standards
- To smooth burred surfaces and recognise metal imperfections
- To use sheet metal to construct roofs, ducts for heating & vents, gutters and other metal structures
- To read plans and determine type and amount of materials to be used
- To measure, bend, cut, shape and attach pieces of metal to create structure required
- This role requires knowledge of welding techniques, torch temperature for metal processes, metal thermal conductivity and fuel gas
- Essential knowledge includes welding from drawings (2D and 3D), mig welding and fillet welds
- Essential knowledge includes metal joining technologies, metal thermal conductivity, rivet types and metal types

Essential skills include aligning components, joining metals and operating welding equipment, including oxy-fuel torch

Essential skills include operation of handheld riveting equipment, interpretation of 2D & 3D plans, and tending metal sawing machine

Candidates must be competent to apply arc & spot welding techniques and precision metalworking techniques

Candidates must be competent to ensure correct metal temperature and handle fuels

Candidates must have experience in recognising signs of corrosion and removing inadequate workpieces

Candidates must have experience in performing metal active gas welding and inert gas welding

Candidates must have 3 years' of relevant experience as a Welder-Fabricator

Welding certification preferred

Annual remuneration: €36,605.00; Pay rate €18.05 per hour

Work Location: Banagher Precast Concrete Limited, Queen Street, Banagher, Co. Offaly.

Number of hours work each week: 39

If you are interested in this role, please apply with an up-to-date CV to info@crewitresourcing.com or call 019020688 to enquire for more details.
