## Civil Engineering Technician Apprenticeship

### Job Description

The Office of Public Works is offering training opportunities for an Apprentice Civil Engineering Technician to be part of the team working within Flood Risk Management in Mayo.

This role offers an exciting opportunity for those who want to be involved with and play a significant role in defending Ireland from flood risk.

For more information please see [apprenticeship.ie](http://apprenticeship.ie)

**Note:** As part of the national apprenticeship system, there are formal requirements for approval of an employer's suitability to train apprentices and for registration of apprentices. Advertising on this site does not guarantee that Employers are approved to recruit and train for apprenticeship positions.

- **Sector:** professional, scientific and technical activities
