Job Description & Skills Required

We are currently recruiting Locum Registrar Doctors to work in a range of specialties across Ireland. This is an excellent opportunity to gain experience in the Irish healthcare system while enjoying flexible assignments tailored to your needs.

Key Responsibilities:

Conduct thorough patient assessments, diagnostics, and treatment under the supervision of senior consultants.

Participate in ward rounds, outpatient clinics, and on-call duties.

Work collaboratively with multidisciplinary teams to deliver high-quality patient care.

Maintain accurate and detailed patient records in line with HSE protocols.

Adhere to clinical guidelines, hospital policies, and ethical standards.

Provide support and guidance to junior medical staff as required.

Requirements:

Professional Registration: Must be registered with the Irish Medical Council (IMC).

References: Provide three satisfactory professional references.

Garda/Police Clearance: Up-to-date Garda clearance (or equivalent police clearance) is mandatory.

Experience: Previous experience in a similar role, with strong clinical skills relevant to your specialty.

Flexibility: Ability to adapt to various healthcare settings and schedules.

Skills: Excellent clinical, communication, and decision-making skills.

Why Join 24hr Care Services?

Competitive locum rates tailored to your experience and specialty.

Flexible work arrangements to suit your lifestyle and preferences.

Opportunities to work in both urban and rural healthcare facilities across Ireland.

Supportive recruitment team to assist with placements, documentation, and logistics.

Gain valuable experience within the HSE and enhance your professional development.

Application Process:

Interested candidates must submit the following:

Updated CV outlining relevant experience and qualifications.

Proof of IMC registration.

Garda/Police clearance certificate.

Contact details for three professional referees.
