Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Mark Coyle, trading as Top Gear Auto's, located at Commons Road, Clondalkin, Dublin 22, D22WK33, is looking for Welder to join the team. The ideal candidate will have experience in welding and metalwork, with a good understanding of automotive repair techniques. You will be responsible for repairing, replacing, and fabricating metal components to restore vehicles to their original condition.

Key Responsibilities:

- Assess damaged vehicle frames, panels, and structural components to determine welding needs.
- Perform MIG, TIG, and arc welding on a variety of automotive metals, including steel and aluminum.
- Replace or repair body panels, frames, and structural components using welding and cutting techniques.
- Use power tools, grinders, and cutting torches to prepare surfaces for welding.
- Ensure all work meets safety standards and follows automotive repair guidelines.
- Collaborate with the body shop team to align repair strategies and ensure quality outcomes.
- Maintain welding equipment and tools, ensuring they are in safe, working order.
- Assist in custom fabrication projects when needed.

Requirements:

- Experience as a Welder, preferably in an automotive repair setting.
- Experience using MIG, TIG, and arc welding techniques.
- Knowledge of automotive metalwork and body repair methods.
- Ability to read technical drawings and repair manuals.
- Strong attention to detail and precision.
- Familiarity with automotive repair tools and equipment.

- Strong problem-solving skills and the ability to work as part of a team.
