### Job Description

Dublin

Salary: €65,000 plus Sodexo Benefits

Type: Full-Time, Permanent

We are seeking an experienced Technical Services Manager to lead the delivery of hard FM services, maintenance, and projects at a key client site in Dublin.

This is a senior, standalone role supported by a regional team, responsible for overseeing technical operations across mechanical, electrical, HVAC, and building services. You will ensure compliance, drive performance, and act as the key technical lead for both the client and internal teams.

### Key Responsibilities

Lead the delivery of technical services, including maintenance, PPM, and project works

Manage and develop a high-performing technical team and specialist contractors

Ensure compliance with statutory, regulatory, and health & safety requirements

Oversee mechanical, electrical, HVAC, BMS, and fabric services

Manage CAFM systems, asset data, and lifecycle planning

Act as the primary technical point of contact for the client, building strong relationships

Deliver reactive works and projects, including surveys, quotations, and cost control

Manage contractor performance, permits to work, and RAMS approval

Drive continuous improvement, innovation, and energy efficiency initiatives

Support business growth through service development and client engagement

### About You

Qualified in Mechanical, Electrical, or Building Services Engineering

Proven experience managing technical services in an FM or manufacturing environment

Strong knowledge of HVAC, building systems, and compliance requirements

Experience managing projects, contractors, and technical teams

Health & Safety qualification (IOSH or NEBOSH)

Strong leadership, communication, and problem-solving skills

Commercial awareness, including budget and performance management

Desirable

Experience with complex HVAC or smart building systems

IWFM or Authorised Person certification

Knowledge of energy management, water systems, or asset management

- **Sector:** professional, scientific and technical activities

### **Career Level**

- Entry Level

### **Candidate Requirements**

(Essential)

- **Minimum Experienced Required (Years):** 1
- **Minimum Qualification:** Level 6 (incl Higher Advanced Certificate & National Craft Certificate)

(Desirable)

- **Ability Skills:** Administration, Interpersonal Skills
- **Competency Skills:** Collaboration, Teamwork
