HGV Mechanic / Vehicle Technician

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Cullen's Recovery, Lisruntagh, Drumfin, Riverstown, Co. Sligo are seeking to recruit an experienced HGV Mechanic / Vehicle Technician to join our busy garage and vehicle services business.

The successful candidate will be responsible for the maintenance, servicing, diagnostics and repair of diesel engines and mechanical systems in light and commercial vehicles, including vans, jeeps and commercial vehicles.

Duties will include servicing and repair of diesel engines, diagnostics and fault finding using appropriate equipment, maintenance and repair of braking systems, suspension and drivetrain components, carrying out routine servicing and preventative maintenance, inspection and testing of vehicles, and ensuring all work is completed to a high standard of safety and quality.

Key Requirements:

Minimum 2–3 years' experience as a vehicle technician or mechanic

Experience working with diesel engines and commercial vehicles

Strong diagnostic and fault-finding skills

Ability to work independently and as part of a team

Good communication skills

This is a full-time position based on a 39-hour working week with an annual salary of €36,605.

- **Sector:** wholesale and retail trade; repair of motor vehicles and motorcycles
