CAD Technician

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Aureol Global Connections is hiring a CAD Technician on behalf of Mid Cork Pallets & Packaging Limited t/a MCP Group, Clondrohid, Macroom Co. Cork, Ireland. P12 FK03. The ideal candidate will be required to design and develop packaging concepts from initial brief through to production, producing accurate CAD drawings and technical specifications using software such as ArtiosCAD or EngView. You will prepare artwork files for print via Adobe Creative Suite, collaborate with marketing and production teams to ensure designs meet brand and quality requirements, and manage multiple projects simultaneously under tight deadlines. Responsibilities include reviewing prototypes, ensuring designs comply with industry standards, and performing warehouse packing/picking duties when required. Applicants must have proven packaging design experience, good attention to detail, and proficiency in Microsoft Office. This is a full-time position, 40 hours per week, with an annual salary of €37,544-€40,000. Interested applicants please send your CV to info@aureolglobalconnections.com.
