Job Introduction

Bring your passion to the plate. Make a difference every day.

As a Chef at Sodexo in [Hospital Name], you'll play a vital role in preparing high-quality meals that support patient wellbeing and enhance the overall dining experience. You'll be responsible for managing your own section of the kitchen, ensuring every dish meets our high standards. If you're passionate about food, thrive in a fast-paced environment, and want to be part of a purpose-driven team — this is the role for you. Join Sodexo and be part of something greater. You belong in a team where you can act with purpose and thrive in your way.

What you'll do:

Prepare and cook meals according to recipes and quality standards

Contribute to menu planning and recipe development

Support, guide, and train junior chefs and kitchen staff

Ensure full compliance with health and safety, hygiene, cleanliness, COSHH, and fire safety regulations

Maintain a clean, organised, and efficient kitchen environment

What you bring:

NVQ Level 2 (or equivalent) and at least 2 years' experience as a chef

Strong culinary skills and a genuine passion for cooking

Ability to perform well under pressure in a busy kitchen

Clear, respectful communication and a strong team spirit

What we offer:

Working at Sodexo isn't just a job — it's a chance to make a difference every day. You'll be part of a supportive team, act with purpose, and thrive in a role where your work matters. We also offer a range of benefits to support you and your loved ones:

Mental health and wellbeing resources

Employee Assistance Programme (including financial/legal advice & personal support)

Free health & wellbeing app with 24/7 virtual GP access

Discounts on high street brands for you and your family

Salary finance tools and financial wellbeing resources

Retirement savings plan and life insurance

Full training and protective uniform provided.

Opportunities to gain experience through learning and development.

Cycle to Work scheme & volunteering opportunities.

Flexible working and a dynamic team environment
